Declaración de interese para a celebración da Conferencia GNOME (GUADEC) e KDE's Free Software Desktop Summit (Akademy) na Coruña (Galiza)

Prezados membros do comité organizador:

A Dirección Xeral de Promoción Industrial e da Sociedade da Información da Consellería de Innovación e Industria da Xunta de Galicia (Goberno da Comunidade Autónoma de Galicia) expresa o seu interese e apoio á oferta presentada por Igalia Enxeñaría do Software Libre en colaboración co GPUL, grupo de desenvolvedores e usuarios de Linux, para a celebración da **Conferencia GNOME (GUADEC) e KDE do Free Software Desktop Summit (Akademy)** en 2009 na Coruña - Galiza.

O noso goberno, no seu obxectivo de promover o desenvolvemento da Sociedade da Información, aposta no seu Plano Estratégico Galego da Sociedade da Información (PEGSI 2007-2010) polo uso de tecnoloxías de software libre, a interoperabilidade e os estándares abertos. O goberno de Galiza comprométense a acoller e ofrecer plena colaboración aos organizadores da conferencia de GUADEC e Akademy, no caso de ser seleccionada como sede a cidade da Coruña.

Santiago de Compostela, 13 de Xuño de 2008.

Helena Veiguela Martínez

Santiago de Compostela, June 13rd, 2008

Statement of interest on the Conference Gnome (GUADEC) and KDE's Free Software Desktop Summit (Akademy) to be held in A Coruña (Galiza/ Spain)

Dear Members of the Organizing Committee:

The Directorate General of Industrial Promotion and Information Society of the Innovation and Industry Ministry of this regional Government (Xunta de Galicia) is proud to express its interest on and support to the offer submitted by IGALIA (Free Software Engineering) and GPUL (Group of Users and Developers of Linux), in order to achieve the **2009 Conference Gnome (GUADEC) and the Free Software KDE Desktop Summit (Akademy)** to be held in the city of A Coruña (Galiza).

The Government of Galicia, in order to boost Galician Information and Knowledge Society, has decided to officially support the use of Free Software, the interoperability and Open Standard based technologies through its Galician Strategic Plan of the Information Society (PEGSI 2007-2010). Following this purpose, the Government of Galicia wants to offer full cooperation to the Conference organizers in the case of A Coruña being selected to host 2009 GUADEC and Akademy.
